WARREN PICILLO, having been duly sworn, deposes
and says:

1. That in the year 1977 two drivers came to the
site of my farm in Coventry and requested information as to the
location of American Hoechst and Ciba Geigy Chemical Companies.
They stated that the reason was that they had to pick up mate-
rials at those companies. I gave them directions and within
approximately three hours time the drivers returned. One driver
brought back material in barrels and the other brought back mate-
rial in a tanker. This material was dumped at the site.

2. I do not know which company, if any, the material
came from.
